## DECISION

THE COMPTROLLER GENERAL  
OF THE UNITED STATES  
WASHINGTON, D.C. 20548

FILE: B-195560.3, et al. DATE: January 29, 1982

MATTER OF: Alan Scott Industries--Reconsideration

## DIGEST:

Prior decisions are affirmed upon reconsideration in absence of any showing that earlier decisions were based on errors of fact or law.

Alan Scott Industries (ASI) requests reconsideration of several protests and previous reconsiderations (docketed under B-195560.2, et al., B-205074.2, B-205134.2, B-205301.2, and B-205583.2) which we decided collectively in Alan Scott Industries, B-195560.2, et al., December 23, 1981, 81-2 CPD. In that decision ASI's protests were summarily denied, on the basis of prior decisions treating the same matters, and our prior decisions were affirmed.

We only entertain requests for reconsideration which " \* \* \* contain a detailed statement of the factual and legal grounds upon which reversal or modification is deemed warranted, specifying any errors of law made \* \* \*." 4 C.F.R. § 21.9 (1981). ASI's request merely reiterates some of the arguments which we have previously considered and disagrees with our decision. Since the protester has made no showing that our prior conclusions are erroneous, we see no reason to consider these arguments further. Virginia-Maryland Associates, Inc.--Reconsideration, B-191252, July 7, 1978, 78-2 CPD 19.

Accordingly, our prior decisions are affirmed.
